SUMMARY

Computer Science graduate with strong problem-solving skills and a solid foundation in software development. Skilled in mobile and web development, with proven ability to deliver clean, scalable solutions. Looking for an opportunity to grow professionally, apply expertise, and contribute to innovative technology projects.

EDUCATION

The Hashemite University Feb 2022 – Feb 2026

Bachelor of Science in **Computer Science** | **GPA: 3.84/4 (Excellent)** Zarqa, Jordan

PROJECTS

Graduation Project: EcoPals Mobile Application | Dart, Flutter, Firebase May 2025

- Developed a cross-platform mobile app in Flutter/Dart, ensuring smooth deployment on both Android and iOS.
- Implemented Riverpod state management and integrated **real-time data updates for responsive and dynamic user experience.**
- **Collaborated using Git/GitHub for version contro**l, focusing on debugging, code optimization, and delivering production-quality features.

Shopping List Mobile Application| Dart, Flutter, Firebase Apr 2025

- Built a cross-platform mobile app with Flutter and Firebase to manage shopping lists.
- Implemented real-time **CRUD operations** (add, retrieve, delete items) with form validation and category-based organization.
- Designed a clean, responsive UI with color-coded categories and swipe-to-delete functionality for smooth user experience.

Chat Mobile Application | Dart, Flutter, Firebase Apr 2025

- **Developed a real-time chat app** prototype with Flutter and Firebase.
- Implemented user authentication (signup/login) and integrated Firestore for storing users and messages.
- **Gained hands-on experience with Firebase integration, authentication flows, and real-time data handling.**

TECHNICAL SKILLS

Programming Languages: Java, C#, Dart, VB.NET, SQL, JavaScript, C++, Python

Frameworks: Flutter

Web & Mobile Development: HTML, CSS, Firebase

Tools: Git/GitHub, Figma, Visual Studio, VS Code, Android Studio

Additional Skills: OOP, Problem-Solving, Algorithm Design, UI/UX Design

Languages: Arabic (Native), English (Fluent)

COMPETITIONS AND ACHIEVEMENTS

EpiCode 2025 | IEEE Jordan Aug 2025

Applied strategic problem-solving approaches and facilitated knowledge sharing within the team

National Technology Parade (NTP) | IEEE Jordan Jul 2025

Qualified among the **top 107 out of 406 projects nationally** with EcoPals Application, **representing the Faculty of IT-The Hashemite University.**
